OBSIDIAN  
RIDGE

OBSIDIAN RIDGE CABERNET SAUVIGNON 2006, RED HILLS LAKE COUNTY

**"Top 100 Wines of 2008"** - It's a raw, smoky, stony Cabernet with rich cassis, black olive, and dark mineral tones, tied together with fine oak notes (from the family's Hungarian barrels) and a plushness that makes it immediately approachable. - San Francisco Chronicle

**"California Cabs To Watch"** - California's Lake County used to be known for pear orchards; now it's gaining recognition for its wine grapes. This fresh, berry-rich Cabernet comes from vineyards in the Red Hills AVA, north of Napa Valley. - Food & Wine Magazine

**89 points** - This fairly priced Cabernet Sauvignon from Lake County ... reveals plenty of potential. Attractive red and black currant fruit intermixed with notions of damp earth, licorice, and spice box are found in this round, juicy, seductive, medium to full-bodied Cabernet. - Robert Parker, Wine Advocate
